### Access and use of energy consumption data

In order for us to certify your rating, we need authorisation to access your energy consumption data. We will use this only for rating purposes. Please fill out the below:

Tenant company name	
Level(s) of tenancy	
Tenant representative (full name)	
Tenant representative email address	
Authorisation data options (please select one option):	
<input type="checkbox"/> I, <b>The Tenant</b> give permission for my energy retailer or electricity distributor serving my tenancy to advise ' <b>The Assessor</b> ' of the amount of gas and/or electricity consumed by the tenancy shown above (only consumption data no billing/cost data is shared). This includes data for the two years before, and two years after, from the date of signature shown below. If I change energy provider during the two years following the date of signature, I authorise my energy retailer to notify <b>The Assessor</b> that the account has been closed.	
<input type="checkbox"/> I, <b>The Tenant</b> will provide 12 months' worth of energy bills to The Assessor. The Assessor will detail which period is required to be covered by the bills.	
<input type="checkbox"/> There are no utility bills associated with the tenancy occupied by <b>The Tenant</b> (embedded network). Energy data can be obtained from the building manager/building owner.
